What Can I Not Sell?

- ☺ Toys, furniture and baby equipment that is dirty, broken or RECALLED! YOU ARE RESPONSIBLE FOR CHECKING THE RECALLED LIST BEFORE BRINGING ITEMS.
- ☺ Stuffed animals that don't do anything.

What Should I Charge?

- ☺ We recommend pricing your items at about 30% of retail.
- ☺ Items must be priced at least \$2.00 and priced in increments of .50¢
- ☺ If an item is not worth \$2.00, group it with similar items. If you are grouping items together, make sure that items are the **SAME BRAND** and the **SAME SIZE**.
- ☺ Allow your items to go half price on Saturday. Half-Price is better than no sale at all.

How Do I Prepare My Items?

- ☺ **CLEAN AND PRESS/IRON ALL GARMENTS.** The better your items look the faster they will sell.
- ☺ **PUT CLOTHING ON A HANGER WITH HOOK FACING LEFT.** Pants should be safety pinned to top of the hanger and not folded over hanger. PLEASE USE: Child size hangers for sizes 4 and under, Youth/Adult hangers for sizes 5 and up, and pants hangers for maternity pants.
- ☺ **SAFETY PIN THE TAG** to the left hand shoulder or left hand pocket of the garment with a medium to large safety pin. DO NOT USE TINY GOLD OR SILVER SAFETY PINS OR TAPE.
- ☺ **ITEMS OTHER THAN CLOTHING** should have the tag attached with packing tape to the exterior of the item. (Tags will be removed at check-out so only use one piece of packing tape across the middle of the card.)
- ☺ **TOYS AND GAMES** must have all pieces, be clean, current and NOT RECALLED! Place small pieces in ziplock bag, tape the bag closed and securely attach to the bigger toy (if applicable).
- ☺ **GROUP SMALL ITEMS** in a Ziploc bag. Tape the top of bag closed. Tape tag to the outside of bag.
- ☺ **WHEN GROUPING ITEMS TOGETHER** do not put more than 2 shirts or pants together in a set. They DON'T sell.
- ☺ **WORKING BATTERIES MUST BE IN ALL ITEMS THAT REQUIRE THEM**

How Do I Tag My Items?

- ☺ Use 1/2 of a 3x5 **COLORED** index card if you **WANT** your unsold items donated to local charities.
- ☺ Use 1/2 of a 3x5 **WHITE** index card if you **DO NOT** want your unsold items donated.
- ☺ If you **DO NOT** want your items sold for **HALF-PRICE** put a star (★) on the bottom left hand side of card. It is highly suggested that you allow your items to be sold for half-price on Saturday.
- ☺ Secure pairs of shoes together and pin tag to laces/buckle.
- ☺ Please **DO NOT** use regular computer paper for tags, use cardstock or 1/2 of a 3x5 index card.
- ☺ If your tags are not the correct size, you will be asked to retag them at check-in!!!!
- ☺ **WE ARE ENCOURAGING** (but not requiring) consignors to print barcodes on their tags. You already have this capability if you have TagIt. If you have not purchased TagIt you can download a free version called TagIt Lite (can only be used for one sale). Go to tagityourself.com/lite/instructions.htm for detailed instructions. Please use light colored cardstock if donating your items. Check our webpage for more info. (Print 9 per page, landscape)
